### Winery and estate:

Dominio de Punctum was founded in 2006 by a viticulture family with first generation winemakers. Since the beginning they have focused on organic and biodynamic production. The winery is owned by four brothers, all of them working hands on at the winery. Our general manager appointed is Jesus Fernandez and the head winemaker is Ruth Fernandez. We have an annual production of 1,500,000 bottles with 120 hectares of vineyards.

### Winemaking notes:

Lobetia Petit Verdot – Tempranillo Roble is produced on our estate from organically grown grapes. Night harvested and cold macerated before fermenting

### Tasting notes:

Cherry colour and a violet rim at first sight. The bouquet combines spices and coffee aromas. On the palate it is complex and harmonious, with velvet tannins and long finish.

We recommend service at 19° C. A perfect match: Beef sirloin with pepper sauce.
